

## Rock the Universe Trip Info September 10-12, 2010

**We will meet at First UMC of Land O' Lakes at 2:30pm.** *I know this may mean that some of you will have to get out of school early but we are trying to beat the I-4 traffic.*

### Friday Night

We'll first head over to our hotel to quickly drop off our stuff, then go to **Universal Orlando** for a night of concerts and rides. *You are on your own to purchase dinner at the park or in City Walk.* Any group of students who go to City Walk must have an adult with them and contact Christina to let her know they are going to City Walk. During the night High School students must remain in groups of five and Middle School students must be in their group with a chaperone. At 1:00am we will all meet up at the Universal Globe to head to our hotel.

### Saturday

Get some breakfast at the hotel. Our tickets allow us access to Islands of Adventure so students will have the opportunity to enjoy both parks during the day. We will most likely all meet up for lunch outside of the park around 2pm. Then come back and go to Universal for the evening. *You are on your own to purchase dinner at the park or in City Walk.* Same rules apply for Middle & High School students as far as chaperones and groups are concerned. There will be one concert that you are required to attend. Usually this is the last band of the night so please plan to exit the park as a group after the last concert & candle lighting service. We will meet up at the Universal Globe— approximately 11:30 PM.

Sunday : TBD based on votes from youth, chaperons and parents. Will be decided by Sept. 1.
